Re: Electronic Deposit of Insurance Payments into Your Office Account!

Dear Doctor:

Rayant Dental Services is excited to announce that we are now offering Electronic Funds Transfer (EFT) to those offices submitting claims electronically. **Instead of receiving a check in the mail, benefit payments for Traditional and PPO plans can now be electronically deposited in your office's bank account for immediate use.** No more trips to the bank! No more misrouted checks or waiting by the mailbox! And you will still receive a printed EOB in the mail to allow for the reconciliation of your patients' accounts.

To take advantage of this program, please complete and return the **Authorization Agreement for Automatic Deposits with a voided copy of your blank check** in the enclosed self-addressed, postage-paid envelope. After receiving your signed Agreement, the process takes approximately 20 days to become effective.

Please note that dentists participating in the Federal Employee Program will continue to receive paper checks for any patients treated in this plan.

If you have any questions concerning this program, please contact our Professional Relations Department at 1-800-632-3629.

Sincerely,

Shirley Antoine
PR Service Representative
